

The Corsair

Overview

Travel the high seas and battle against wicked pirates, crooked soldiers, haunted spirits, hungry cannibals, and angry monsters!

The Corsair features beautiful graphics, top notch music and audio, intuitive controls, and of course, Guns, Swords, and Pirates!

Gameplay

As a new ship owner, you must survive against the insidious attacks of pirates.

Try to shoot down the bad enemies, but keep an eye out for innocent hostages!

How to Play

Aim and shoot with your stylus. Try to shoot the flying objects for bonuses. Pay attention to your remaining bullets.

When your gun is empty, you must reload before you can shoot your gun again. To reload your gun, tap on the Reload icon.
